

Selleys Auto Fix Instant Gasket High Temperature Red - 100mL

Canonical: <https://directory.selleys.com.au/automotive/sealants-adhesives/selleys-auto-fix-instant-gasket-high-temperature-red-100ml-1/>

Description:

High-strength sealant designed for long-term reliability in high-heat applications. Selleys Auto Fix Instant Gasket High Temperature can be applied to multiple spaces and uneven surfaces to form a tough, high-pressure red seal that resists intermittent temperatures up to 343°C. Ideal for oil pans, valve covers, water pumps, exhaust manifolds, and other automotive applications requiring high temperature sealing.
