Description

Polyglaze Spray Wax is the perfect product for keeping your car clean & shiny between polishes with almost no effort. It is a premium car detailer containing carnauba wax and high quality silicones, to ensure removal of light dust & dirt without scratching, while enhancing gloss and protection.

Sizes Available

Polyglaze Spray Wax is available in a 500mL spray pack.

Uses

Polyglaze Spray Wax is especially suitable for lightly soiled cars. It is ideal for maintaining a brilliant shine between polishes. Polyglaze Spray Wax provides excellent surface lubrication to remove light dust & dirt without scratching while enhancing depth of colour & shine.

Technical Features

- Contains electropositive silicones for enhanced depth of colour and protection
- Contains carnauba wax for enhanced protection, depth of shine, easy buffing, and for encapsulation and removal of light dirt and dust without scratching.
- Contains super wetting surfactants for easy wetting and cleaning of surface.
- Very easy to use - just spray on & wipe off
- Safe for all car finishes.
- Maintains brilliant shine between polishes.
- Enhance depth of colour.
- Can be used to clean cars with light dust and dirt without water.

Application

- Always wash, polish or detail car in the shade and only when surface is cool.
- Shake bottle well before use.
- Spray Polyglaze Spray Wax evenly onto car surface one section at a time.
- Spread with a clean absorbent cotton or micro-fibre cloth.
- Turn cloth and gently wipe to a deep reflective shine. Change cloth when cloth becomes dirty or wet.
- Use regularly to always maintain the perfect looking finish.

For best results use on clean or slightly dirty cars.

Limitations

Do not use on hot and / or dirty car.
