

Selleys Knead It Steel - Metal Repair Epoxy Putty 110g

Canonical: <https://directory.selleys.com.au/home-garden/adhesives-repair-putty/selleys-knead-it-steel-metal-repair-epoxy-putty-110g-1/>

Description:

A versatile hand kneadable, fast setting, non-rusting co-extruded epoxy repair system ideal for metal items. Can be used for fuel resistant repairs, will not sag, run or drip, and can be drilled, sawed, sanded, filed, tapped, machined or painted 1 hour after mixing. Heat resistant to 120°C continuously or 140°C intermittently with quick set time of less than 10 minutes.
