

Pro Trade Gap Filler Smooth Finish - Selleys

Canonical:

<https://directory.selleys.com.au/home-garden/adhesives-sealants/pro-trade-gap-filler-smooth-finish-selleys-1/>

Description:

Pro-Trade Gap Filler Smooth Finish is a white, paintable, flexible acrylic gap sealant suitable for interior and exterior applications. Features a high-solids formula for low shrinkage, thick consistency for smooth gunning, and excellent adhesion to timber, plasterboard, masonry, and aluminium. Paintable in approximately 30 minutes with $\pm 10\%$ movement capability.
