

# Selleys 655FC Fast Cure Adhesive Sealant - 290mL

Canonical: <https://directory.selleys.com.au/home-garden/adhesives-sealants/selleys-655fc-fast-cure-adhesive-sealant-290ml-1/>

## **Description:**

Fast-cure, high-strength adhesive sealant designed for a wide variety of construction and industrial applications. UV, weather, and moisture-resistant with immediate bonding and strong, durable finish. Provides excellent adhesion to metals, timbers, and other porous materials. Paintable once fully cured. Complies with AS 2329-1999 construction adhesive standards. Suitable for both interior and exterior applications.
