

No More Gaps Exterior - Flexible Gap Filler by Selleys

Canonical: <https://directory.selleys.com.au/home-garden/caulking-gap-fillers/no-more-gaps-exterior-flexible-gap-filler-by-selleys-1/>

Description:

Protect your exterior surfaces with Selleys No More Gaps Exterior from the flexible gap filler range. Designed for exterior use, this product resists weathering and UV damage, providing a long-lasting flexible bond. Ideal for filling exterior gaps around doors, windows, and trims. Flexible and weather-resistant, it will not crack or shrink over time. Perfect for use in exterior applications subject to harsh Australian conditions.
