

Selleys VBS Vapour Barrier - Two-Pack Epoxy Moisture Barrier System

Canonical: <https://directory.selleys.com.au/home-garden/flooring-installation-preparation/selleys-vbs-vapour-barrier-two-pack-epoxy-moisture-barrier-system/>

Description:

Selleys VBS Vapour Barrier is a highly cross-linked, two-pack epoxy moisture vapour barrier system. Features one coat application with colour-coded mix and very low vapour rate. Strong adhesion to dry, sound concrete substrates. Coverage approximately 6-8 m²/L per coat.
