

No More Gaps Timber Floors - Selleys

Canonical: <https://directory.selleys.com.au/home-garden/gap-fillers-sealants/no-more-gaps-timber-floors-selleys-1/>

Description:

Selleys No More Gaps Timber Floors is designed for filling gaps around and between tongue and groove timber flooring and also between other timber panels and fittings. Specifically designed for timber floors, this fast-drying formula fills gaps and cracks with a flexible, long-lasting bond that won't crack or shrink. Ideal for hardwood and engineered timber, compatible with most floor finishes.
