

Selleys Ezy Glide - Dry Lubricant Spray 150g

Canonical: <https://directory.selleys.com.au/home-garden/maintenance-repair-supplies/selleys-ezy-glide-dry-lubricant-spray-150g-1/>

Description:

Selleys Ezy Glide is a silicone-based lubricant that makes sliding doors and windows easy to use. This dry, non-oily lubricant provides a highly slippery coating and contains PTFE for long-lasting lubrication. Dries clear, will not attract dirt and dust, and stops sticking and squeaking. Suitable for windows, drawers, zipper doors, locks, furniture, roller door tracks, curtain tracks, and more.
