Canonical: <https://directory.selleys.com.au/home-garden/paint-preparation-removal/selleys-kwik-strip-paint-and-varnish-remover-1/>

Description:

Selleys Kwik Strip is a rapid action solvent-based paint and varnish remover in a heavily bodied form for easy application on vertical surfaces. Fast acting, washes off with water, and non-caustic - no neutralising of the surface is necessary. Perfect for removing paint, enamels, lacquers, shellac or varnish from wood, metal, glass, and ceramic surfaces without affecting the grain of timber.
