

Selleys N-Mastic - Non-Hardening Polybutene Sealant 410g

Canonical: <https://directory.selleys.com.au/putty-fillers/specialist-fillers-and-putty/selleys-n-mastic-non-hardening-polybutene-sealant-410g/>

Description:

Get a strong and flexible bond with Selleys N-Mastic from our flexible gap filler range. Perfect for sealing gaps and joints in your surfaces. This non-hardening, polybutene-based compound remains permanently soft and paste-like, providing excellent adhesion to glass, masonry, metals, expanded foam panels, timber, and plastics. Features moisture resistance, low shrinkage, and a wide service temperature range from -40°C to +80°C.
