

Flexiseal Multipurpose Sealant - Selleys

Canonical: <https://directory.selleys.com.au/sealants/construction-sealants/flexiseal-multipurpose-sealant-selleys/>

Description:

Get a strong and durable seal with Selleys Pro Series Flexiseal. This sealant is perfect for high-movement areas, providing a water-tight seal that lasts. Features high flexibility with $\pm 125\%$ joint movement, non-slumping low modulus formula, excellent adhesion to common building materials, and is weatherproof for indoor & outdoor use. Paintable after cure.
