

Selleys Silicone 401 RTV - Acid Cure Silicone Sealant

Canonical:

<https://directory.selleys.com.au/sealants/multi-purpose/selleys-silicone-401-rtv-acid-cure-silicone-sealant/>

Description:

Selleys Silicone 401 RTV is a one-component, ready-to-use acid cure silicone adhesive sealant developed for form-in-place gaskets and adhesive sealing, electrical insulating applications in manufacturing and plant maintenance. Remains permanently flexible under operating temperatures from -60°C to 205°C. Good resistance to most organic and inorganic chemicals, solvents and oils. Adheres without primer to many metal, glass, ceramic, rigid plastic, rubber, painted and wood substrates. Suitable for incidental food contact in food handling equipment.
